Gaming		World of Tanks is a team-based MMO game dedicated to armored warfare in the mid-20th century. Engage in free epic online tank battles for instant adrenaline-packed action, but with $70 of in game content with this special offer! Take control of hundreds of authentic tanks, from heavy and powerful steel brawlers to light and fast scouts, and engage your enemy on immersive maps. Battle in teams and join 78 million other players worldwide!
		Following on from the BAFTA-winning GRID and BAFTA-nominated GRID 2, GRID Autosport is the new racing game from Codemasters® that brings alive the experience of becoming a professional racing driver. Immersing gamers in a world of contemporary motorsport with a wide range of different disciplines and series, players will choose how to build and shape their career. It's a world of breadth, of depth, of intensity and, of course, of the excitement that only racing cars can deliver.
		Be fast, be first and be famous in GRID 2, the sequel to the BAFTA award-winning, multi-million-selling game Race Driver: GRID. Built on Codemasters' EGO Game Technology platform, GRID 2 features the edge-of-your-seat TrueFeel™ Handling system, plus advanced artificial intelligence opponents that will defend their lines, take chances and spin out under pressure. Filled with stunning visuals, jaw-dropping damage, blockbuster courses and iconic cars, GRID 2 is the new standard of motorsport gaming. The race has returned. If you love GRID 2, check out Grid Autosport.
		The famous racing simulation game GT Racing is back with more cars, tracks and enhanced graphics with GT Racing 2. Enjoy the most realistic driving experience on mobile thanks to an improved graphics engine. Choose from 19 different manufacturers and 25 iconic GT cars like the Ferrari 599 and the Ford Shelby GT 500. Enter a comprehensive career mode that will take you to Monaco, Rio, Shanghai and more. It's time to become a real racing legend! Although GTR2 is a Free To Play game, this offer code will give you access to approximately $16 in game value.
Media		MAGIX Movie Edit Pro 2015 gives everyone the power to create amazing movies. With automatic wizards for video editing, audio dubbing and image optimization, you can edit videos more easily than ever before. While beginners can use Storyboard mode and automatically optimize their images and audio, more experienced users can produce like true professionals in Timeline mode. Choose from over a thousand visual effects templates and interactive menus. Experience the magic of powerful video editing with MAGIX Movie Edit Pro 2015.
		With the free MAGIX Movie Edit Touch 2 app you can edit your videos right where you made them – on vacation, at family celebrations or at a live show. The new Windows 8 tablets and Movie Edit Touch 2 make it possible. Record your videos with your tablet or import them from an SD card or video camera and off you go! Remove unwanted scenes, change the order and add your favorite music. Use the sleek transitions and professional templates in the Premium version to create your own style complete with amazing special effects. Add a personal touch to your videos using texts, dynamic camera movements, and a range of image settings.
		Start a jam session! Music Maker Jam combines easy music creation with maximum fun. In no time at all you'll be producing your own hits thanks to a huge selection of loops and styles! Simply combine the song parts and instruments to get the sound you want, then adjust the key and the tempo or add some spectacular effects. Intuitive touchscreen control puts the full studio experience in the palm of your hand!
Education/ Creativity		Build a Body is a multi-player drag and drop game where you learn about the major organ systems of the human body. In Learning mode, take your time and learn about the circulatory, respiratory, digestive, nervous, skeletal and excretory systems. In Time Trial mode, challenge your friends or collaborate with them to build a body as fast as possible. Build a Body is multi-touch and can support up to 10 touch points.
		Krita Gemini is the innovative digital painting studio that changes seamlessly between traditional and tablet interface on your 2 in 1 convertible Ultrabook™. Innovative and fun brushes make for a great sketching and painting experience and a full set of professional features enable you to create awesome artwork from start to finish.
		Explore the wonders of the Solar System with Star Chart, the definitive star gazing and astronomy app. From our own star - the Sun, to the moons of Jupiter and rings of Saturn, Star Chart gives you a virtual window into the visible universe. Make the most of your powerful Intel® powered Windows 8 device and hold it up to the night sky. Star Chart will tell you exactly what you are looking at! Augmented Reality (AR) mode is available on Intel® Ultrabooks™ with accelerometer and digital magnetometer sensors. Alternatively, explore the universe from the comfort of your arm chair to learn about the wonders of our solar system and beyond. Visit the planets, explore their rings and moons, learn about the constellations, discover majestic Messier objects, and travel both forwards and backwards in time.
Always Connect		ooVoo is a free group video chat and messaging app with more than 100+ million registered users worldwide. Our superior HD quality enables people around the world to have fun with their friends and family or be more productive with colleagues. Using cloud-based connectivity, ooVoo is available on any Android or iOS based mobile or tablet device, on the desktop, over the web and via Facebook. ooVoo delivers the highest quality HD video chat under typical consumer broadband speed limits, and is optimized for Intel® hardware to reduce HD video chat CPU consumption by half and extend device battery life.
		TeamViewer is one of the world's leading solutions for desktop sharing and online collaboration. Access your data and applications anytime, anywhere with absolute security. Whether you need to access your office computer from home, host an employee training session or presentation, or simply share what you're working in real time, TeamViewer is a great solution. Clients and team members can effortlessly view images, presentations and other assets across any number of devices, and thanks to remote support, there's no need for them to install anything, either. If you need to collaborate, access or share information with many computers at once, TeamViewer is for you.
