

The one device for everything in your life.

When you purchase a new Surface 2 or Surface Pro 2 you will receive 2 additional benefits - it's time to get excited about some great offers for Skype and OneDrive.

The Best of Skype* free for a year

Unlimited World Calling. Stay in touch with friends and family with unlimited calling to mobile phones in 8 countries and landlines in over 60 countries. Which countries can you call? See www.skype.com/surface

Unlimited Skype Wi-Fi. Browse the internet from your Surface with unlimited access by connecting to one of over 2 million Skype Wi-Fi hotspots accessible in airports, hotels, train stations and cafés without ever having to enter credit card information.

Premium Experiences. The offer entitles you to the following additional benefits:

- Group Screen Sharing: You can share your screen and collaborate with anyone on Skype for free.
- No advertisements in your Skype experience: In some countries/regions Skype displays adverts from partners. These are not seen with this offer.
- Live chat customer support: Having issues? Chat with support for free to resolve them.

Redeeming the Offer. You will get a card in your Surface 2 or Surface Pro 2 packaging. It will have the Skype offer code included, enter it at Skype.com to redeem. Additional details are on the back side of the offer card.

*Calling to select countries and lines only. Wi-Fi on qualifying Surface at Skype enabled hotspots only. Hurry! Limited time offer. See skype.com/surface for availability and other applicable terms and fair usage policies. Internet access fees may apply. Not packaged for individual resale.

200GBs of OneDrive* Storage free for 2 Years OneDrive

An extra 200GBs. Receive 200GB of additional OneDrive storage, free for two years. That's enough space for you to store a photo that you take every hour from birth to graduation.

Always have your files with you. Easily save documents and other files to OneDrive, your personal online storage, and open them from anywhere so you can always have your files with you - even on devices with a small amount of local storage.

Easy to use and built into Windows. You can see your OneDrive files just like normal files - they show up in Explorer, they show up in the OneDrive app, they show up in Search.

Offline Access. You can browse all of your files on OneDrive even when you're not connected to the Internet. Make specific files or entire folders available offline so you can always open and edit them. Any change you make will upload to OneDrive as soon as you're back online.

Redeeming the Offer. You will get a card included in their Surface 2 or Surface Pro 2 packaging. It will have the 200GB storage code, which they will enter at OneDrive.com to redeem. Additional details are on the back side of the offer card.
